SWTJC Technical Programs Advisory Committee Guidelines Review	JJ Suarez explained the guidelines/functions of the Advisory Committee. The committee must meet at least once a year and have a quorum present. However, contact with members throughout the year via e-mail, fax or phone is strongly recommended. It is imperative that SWTJC Technical Programs are aware of what it is that employers are looking for in the graduates, as well as keeping up with new technology, program improvement suggestions, and representing the needs of students from special populations. **Guidelines were included in packet for members**	JJ Suarez
Reading & Approval of Minutes	Everyone read the minutes. Jeff motioned to approve the minutes. Seconded by Trisha. All in favor – Minutes were approved without any changes.	Committee
Old Business:	Curriculum changes: The state mandated that all programs must be brought down to 60 hours. Changes to the Radiologic Technology degree plan: <ul style="list-style-type: none"> • The Psychology course was moved from the 	Bonnie Clinebell

<p>b. Class of 2017</p> <p>i. Current enrollment</p> <p>ii. Number of applicants</p>	<p>There are currently 19 students in the Radiologic Technology Program.</p> <p>There were 44 complete applications, in addition 5 or 6 applications that were not fully completed.</p>	<p>Bonnie Clinebell</p>										
<p>c. Admission</p> <p>i. Entrance exam</p>	<p>Bonnie suggested having an entrance exam for students that are applying for the Radiologic Technology Program. Currently the Vocational Nursing and Registered Nursing Programs required the students to take this exam. Currently HESI and Elsevier have a web-based entrance exam. The Elsevier exam covers mathematics, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy & physiology, and physics.</p> <p>JJ Suarez thinks having entrance exam is great, but further research needs to be done.</p> <p>JJ Suarez recommended having the students write out their essay the day they submit their application at the office.</p>	<p>Bonnie Clinebell</p> <p>JJ Suarez</p>										
<p>d. Clinic Issues</p> <p>i. Clinic documentation</p>	<p>With the clinic documentation, students cannot be compensated until they have a year working on the field.</p>	<p>Denise Vanderlick</p>										
<p>1. Revamping clinic forms</p>	<p>On the clinic forms the evaluation section will be simplified. Also once the form has been filled, the form will be placed in an envelope that will be sealed to keep students from reading the forms.</p>	<p>Denise Vanderlick</p>										
<p>2. Web-based interface</p>	<p>We are looking to get a web-based interface for the future, at the moment there are a few companies that we have looked into and have contacted them.</p>	<p>Denise Vanderlick</p>										
<p>e. New classroom/resources</p> <p>ii. Purchased equipment</p>	<p>As of October 12, 2015 all students have had their flu vaccination.</p> <p>There are 22 new computers that are lab has just received. A software was also installed on these computers where the instructors can view what the students are working on.</p> <p>Other items:</p> <ul style="list-style-type: none"> • Enema Administration Simulator • Color coded skull 	<p>Denise Vanderlick</p> <p>Denise Vanderlick</p>
